

Wooden service cabinet for restaurant dining room h09165

Service cabinet for restaurant dining room in melamine-faced wood. Dimensions 90x48x155h cm, 2 cutlery drawers, 2 doors and wheels. Available in Walnut, Carbon and Ash.

The **service cabinet for restaurant dining room** is an essential piece of furniture to optimize organization in restaurants, pizzerias, pubs and bistros. Designed to combine aesthetics and practicality, this cabinet allows you to have tableware and accessories always at hand, speeding up setup and table service operations. Made of high-quality **melamine-faced wood**, it features **2 convenient drawers**, one of which is specifically designed with a separator for orderly cutlery management, and a large lower compartment with **two doors** for storing plates and linens. Thanks to the **multidirectional wheels**, the cabinet can be moved without any effort to facilitate cleaning of the premises or reconfiguration of the spaces.
