

Wooden swing for children h350_146

Swing with cradle seat for children from 0 to 4 years old. Available in the in-ground or floor flush version. Dimensions: L265 x D160 x H230 cm

1-seater swing for children from 0 to 4 years old. Perfect for setting up public parks or school gardens. Made using **Nordic pine wood beams** and **steel fixing and coupling elements**. The **seat is made of shockproof rubber** and is specific for toddlers as the **cradle shape** allows the child to be kept safe, preventing falls. This swing model is available in both **the in-ground version and the floor flush version**.
