Work table with 2 shelves h35708

Professional stainless steel work table, 40x60x85 cm, with two lower shelves. Made in Italy solution for space optimization.

The **professional work table** is a technical solution designed to maximize operational efficiency in HoReCa environments and food laboratories. Made entirely of **stainless steel**, the module meets the critical need for hygiene and chemical-physical resistance required in contexts such as kitchens, pizzerias, and fishmongers. The structure is characterized by the presence of **two lower shelves**, which transform the support base into a vertical storage system, solving space issues in small workstations.
