

Workshop workbench L. 200 cm with 2 drawer units h870_18

Industrial workbench 2000x800 mm, 40 mm beech multiplex top and 11 steel drawers. Robust solution for workshops and laboratories.

The **professional workbench** is designed to meet the needs of mechanical workshops, industrial laboratories and manufacturing departments that require an extremely resistant support surface and a capillary organization of tools. The structure combines the mechanical strength of the **40 mm beech multiplex wood top** with the versatility of two large steel sheet drawer units, ensuring an ergonomic and durable workstation for intensive processing.

Technical characteristics

- **Total dimensions:** L. 2000 x D. 800 x h. 890 mm
- **Worktop:** Beech multiplex wood, thickness 40 mm
- **Structure material:** Powder-coated steel sheet
