

WPC picnic table h986_11

Eco-friendly WPC picnic table Made in Italy, weather-resistant and maintenance-free. Dimensions: L 180 x W 175 x H 75 cm.

The **H986_11 picnic table** is the perfect solution for those who want **durable, sustainable outdoor furniture with a natural design**. Made of high-quality **WPC (Wood Plastic Composite)**, this table combines **durability, aesthetics, and sustainability**, offering an eco-friendly alternative to traditional wood. The top slats have a realistic 3D effect and are internally reinforced with bent galvanized sheets, ensuring strength and long life.

Thanks to its **sturdy structure**, it is designed to withstand **rain, sun, frost, and wear**, maintaining its beauty over time without the need for painting or special treatments. Furthermore, the **modern and authentic design** makes it perfect for **public parks, gardens, picnic areas, and terraces**, integrating harmoniously with the surrounding environment.

The large surface guarantees enough space to **comfortably accommodate families and groups of friends**, making it ideal for **outdoor lunches, dinners, or moments of conviviality in the open air**.

Buy the **H986_11 picnic table** now for elegant, durable, and zero-impact outdoor furniture! Request a personalized quote immediately.
