Bags for folding umbrellas h13905

Bags for machine enveloping traditional umbrellas. Pack of 2000 pcs per box. Compatible with the bagging of umbrellas and h13902 h13903

Bags for enveloping machine folding umbrellas. Pack of 2000 pcs per box. Compatible with the bagging of umbrellas h13902, h13903.

The bags are made of high density polyethylene. The machine enveloping umbrella is an accessory:

- Simple to use and practical: it allows to solve the problem of wet umbrellas and their constant dripping with a simple move. The umbrella remains so always with the customer
- Compact and suitable for all public and private environments: its design makes it usable in any location, taking up little space
- Immediate: due to its simplicity is really usable by everyone: adults, children, the elderly and the handicapped
- Safe: it works with simple mechanical motion caused by the umbrella, without batteries or electricity

The bags are sold in packs of 2000 and does not have guaranteed compatibility with machines other than the above
