

Spencer for woman in polyester h6576

Spencer woman in 100% polyester. Sizes S to XXL. Available in more colors

Italian products

Jacket for hotels, bars, restaurants and catering, ideal for the hospitality industry and the service in the dining room. The line, elegant and contemporary, adapts to the body, while the closure is central. Finished in every detail, this gives a figure spencer dry and refined.

The polyester composition makes the garment wash resistant, and, moreover, guarantees a unique softness, as well as being anti-crease.
