

Artificial Olive Malabar h9304

Semi-natural olive with washable polyester foliage on a natural trunk. Height: 180 cm

How would you like an olive tree but you can not and do not know to plant and manage it? Semi-natural olive plant h9304 is the best solution, requires no maintenance and is made ??with materials and techniques that I make it as similar as possible to the original.

The foliage is made ??of washable polyester and are grafted onto a natural anti mold trunk that lasts over time and that makes it even more real than the product. A fine and elegant piece of furniture ideal to decorate outdoor areas as well as insiders as clubs, bars, restaurants, offices
