

Valet hanger in stainless steel h9702

Valet hanger in stainless steel with two elegant fixing points. Dimensions: 16 x 31 x 45.5 cm

Valet hanger in stainless steel with two fixing points for wall mounting. Filiform structure with arms and curves which seem to draw a rotational movement as if to conquer space and two elegant fixing points that appear to retain the movement of the same structure.

A design furniture that combines quality and aesthetics, and easily adapts to any environment
